'YES' IPHONE CAP PLAN Terms and Conditions

You must be a new or eligible existing customer who applies to connect to the Optus Mobile Digital service,

and passes the Optus credit assessment and is accepted by Optus. Existing customers must demonstrate that over the three continuous months prior to applying that they have an average monthly spend equal to at least the monthly access fee of your new 'yes' iPhone Cap plan. The 'yes' iPhone Cap Plans are only available to you if use an iPhone handset which remains connected on this plan. If your iPhone handset is no longer used and connected on the 'yes' iPhone Cap Plan then Optus will transfer your service to an equivalent non iPhone Cap rate plan.

'yes' iPhone \$19, \$49, \$59, \$79, \$89, \$149, \$179 Cap plans: Pay the first 'cap plan' worth of national voice calls and text, international SMS, VoiceMail, each billing period, after which these services are free up to a maximum of the 'included value' per billing period. You will pay the 'minimum cap' amount each month even if you do not make calls to that value. For the part month, you will pay only part of the minimum spend and you will also receive only part of the Cap amount. You are not able to view your monthly usage prior to receiving your bill. If you exceed the 'included value' of these services in any one billing period, standard rates of your plan will apply.

Included Value: the 'yes' iPhone Cap Plans include a specified amount of National Voice Calls, National and International SMS, Voicemail Diversions, Voicemail Deposits and Retrievals, 1800, 13 and 1300 numbers, depending on which rate plan you choose. The 'yes' iPhone Cap Plans also includes a specified amount of included data value per month to access services on Optus iZoo, as well as browsing the Internet from your mobile, depending upon which rate plan you choose. If you exceed your plan's included monthly data allowance, excess usage charges will be charged at \$0.35 per MB or part thereof. Any unused data allowance cannot be rolled over. Your data allowance does not include services such as Voice calls, Voice Mail, International SMS, premium and Third Party SMS, Optus iZoo and Third Party content and applications, 1300, 1900 and VPN data usage. If you are able to access such services, your use of such services will be charged at prevailing rates. Data usage will be counted in kilobytes, where 1024kb = 1MB and includes both uploads and downloads. **Exclusions:** The 'yes' iPhone Cap Plan included value excludes 124 YES (937), International Voice, International Roaming and Diversion, calls to MobileSat, Premium SMS, Optus iZoo Browsing, Optus iZoo Downloads, Content packs, Mobile Internet Usage, 966* Zoo, Directory Assistance, VOIP services and usage, Premium Video, Operator Assistance, and 19XX services. Normal charges apply for those calls and services that are not part of the included value. **'yes' Time:** Only applies to calls made and received within Australia and made between 8pm and midnight every night. Applies to calls from one Optus Mobile Digital customer to another (on the Optus GSM network), for no charge for the first 20 minutes per call, after which standard mobile rates of your eligible plan apply. 'yes' Time is a special promotion valid until 31/12/2008 unless withdrawn earlier. Optus Fair GoTM Policy applies up to 2000 minutes per month. **Free 5 minute voice Calls on Account:** Applies to national voice calls to other Optus GSM Mobile services on the same customer account number. Standard call rates of your plan apply after the first 5 minutes. Optus Fair GoTM Policy applies up to 1000 minutes per month.

You must be a new or eligible existing customer who applies to connect to the Optus Mobile Digital service, and passes the Optus credit assessment and is accepted by Optus. Existing customers must demonstrate that over the three continuous months prior to applying that they have an average monthly spend equal to at least the monthly access fee of your new 'yes' iPhone 'yes' plan. The 'yes' iPhone Plans are only *available to you if use an iPhone handset which remains connected on this plan. If your iPhone handset is no longer used and connected on the 'yes' iPhone Plan then Optus will transfer your service to an equivalent non iPhone 'yes' rate plan.*

Included Value: The **'yes' iPhone Plans** include a specified amount of included call credits and included data each month depending upon which rate plan you choose. Included call credits can be used for national & international voice calls, standard text, Voicemail, Mobile Internet usage, iZoo Browsing, and 124YES(937). The included data value can be used to access services on Optus Zoo, as well as browsing the Internet from your mobile. If you exceed your plan's included monthly data allowance, excess usage charges will be charged at \$0.35 per MB or part thereof. Any unused data allowance cannot be rolled over. Your data allowance does not include services such as Voice calls, Voice Mail, International SMS, premium and Third Party SMS, Optus iZoo and Third Party content and applications, 1300, 1900 and VPN data usage. If you are able to access such services, your use of such services will be charged at prevailing rates. Data usage will be counted in kilobytes, where 1024kb = 1MB and includes both uploads and downloads. **Exclusions:** Included call credits exclude some call types such as International Roaming, Directory assistance, International/Premium/Group/Third Party/Web Text, Optus iZoo downloads, Content Packs (unless specified in promotion), VoiP and 19XX calls. **Rollover:** Unused included call credits in any one month will expire at the end of two months and are not refundable, even at account closure.

Plan Offers: If you connect to a 'yes' iPhone plan, you may select only one of the following plan offers: 'yes' Free Text, MyTime, 'yes' Text&Talk or 'yes' Time. If you do not select a plan offer, or your selection is not recorded, you will receive MyTime. Plan Offers only apply to standard voice calls and text made and received within Australia. Offers exclude some services including International Voice & Video Calls, International

Roaming, Directory Assistance, VoiceMail, MySpace content, 1900 calls, 1800 calls, MobileSat calls and International, Premium, Third Party and Web Text. You may change your plan offer no more than once each billing period. Depending on the billing system you are on, if you select a new rate plan/ plan option, a) any calls made from the date of the change, will be rated at the applicable rate of your new plan /plan option or, b) any calls made during that bill cycle will be rated at the applicable rate of your new plan and/or call option. We may charge you a fee if you move from one pricing plan to another before the end of the minimum term. Enquire on the options applicable to you at the time of changing your plan. If you select the MyTime offer, allow up to 48 hours for your number to register or changes to be effective. **'yes' Free Text:** Receive 100 free standard text each month. If you exceed your 100 Free Text, standard rates of your plan apply.

MyTime: Receive free 5 minutes calls to your five nominated Optus GSM Mobile or Optus Fixed Line Service numbers registered when you connect. Standard call rates of your plan apply after the first 5 minutes. You may change your nominated numbers no more than once each month. Allow up to 48 hours for your number to register or changes to be effective. If at anytime during the month, your chosen MyTime numbers transfer to a non-Optus network, calls made to these numbers will automatically be charged at standard call rates. Optus Fair Go™ Policy applies up to 1000 minutes per month. **'yes' Text&Talk:** Only applies to standard calls and text made to any mobile connected to an Australian mobile network and received within Australia. Pay 22¢ per 30 seconds for mobile voice calls and 22¢ per standard text sent. These rates are 18¢ on the 39 -79 plans. These rates are 15¢ on the 99 and 149 plans. Flagfall applies per call. **'yes' Time:** Only applies to calls made and received within Australia between 8pm and midnight every night, from one Optus Mobile Digital customer to another (on the Optus GSM network), for no charge for the first 20 minutes per call, after which standard mobile rates of your eligible plan apply. **Free for 5:** Applies to national voice calls to other Optus GSM Mobile services on the same customer account number. Standard call rates of your plan apply after the first 5 minutes. Optus Fair Go™ Policy applies up to 1000 minutes per month. **Free**

Voicemail: If you connect to 'yes' iPhone 59 plan or above you will receive free VoiceMail every month.

Rollback: You may be eligible to reduce your contract length on a 24 month 'yes' plan if your average monthly call usage charges fall into one of the defined bands. Usage charges are defined as your total monthly charges incurred for service usage before your included call credits are deducted. Usage does not include monthly access fees, equipment charges, termination/suspension/late payment fees, reactivation charges, or insurance charges. "On average" means average usage charges over the period of your contract that has already expired. The first date that you may be eligible for a contract term reduction is month 15 of your contract. Any remaining or overdue handset payments must still be paid. If you change to another rate plan, the monthly access fee of your initial rate plan will be used to calculate your eligibility.

Termination & Minimum Total Cost: The 'minimum total cost' over the 12 or 24 month plan is set out in the table below. Any handset costs are additional. If you choose the monthly handset payment option, 12 month plan or 24 month plan and your Optus Mobile Service is disconnected for any reason, or you switch carriers within your minimum term ("Termination") you will be required to pay the remaining amount on your handset, if any, plus applicable "Termination Fees". The Termination Fee for the 24 month plan is calculated in accordance to the following: for months 1-12, 100% of the Termination Fee, for months 13-15, 80% of the Termination Fee, for months 16-18, 60% of the Termination Fee, for months 19-21, 40% of the Termination Fee, for months 22-24, 20% of the Termination Fee. The Termination Fee for the 12 month plans is calculated in accordance to the following: for months 1-6, 100% of the Termination Fee, for months 7-9, 70% of the Termination Fee, for months 10-12, 40% of the Termination Fee.

GST will be calculated on the total amount if taxable supplies during the billing period and shown as a separate entry. Optus reserves the right to change prices including call rates and monthly access fees at any time. **Paper invoice Fee:** A \$1.10 fee will apply if you choose to receive a paper bill posted to you. To avoid this fee you may change to an electronic bill sent to you by email by enrolling at optus.com.au/myoptusaccount. Electronic bills will be phased in over time and may not be available to you immediately. If Optus does not provide your bill in electronic format, we won't charge you the fee. Optus will write to you to advise you of the availability of electronic billing and before any fee is charged. **Credit Card Fee:** If you use a credit, charge or debit card to pay your bill, a 1% fee (inc. GST) will be charged. This payment processing fee will be shown on your Optus bill after the payment has been processed. Exemptions may apply. **Single Bill:** Optus may place your service on a single bill with one or more other services that you have with Optus. At point of sale you may choose to have all services billed individually. If you receive a single bill, afterwards it may not be possible to obtain individual bills for your services. **Call Diversions:** Call diversions are charged at 5.5c per 30 seconds within Australia. Overseas, you will be charged at 5.5c per 30 seconds plus international call rates per 30 seconds.

Optus 3G/HSPA/'yes'G Service: 1. Use of Optus 3G/HSPA/'yes'G Services is only available with compatible handsets and Optus 3G/HSPA SIM card. 2. The Apple iPhone is a UMTS2100 band handset and will provide you with access to 3G/HSPA services in Optus 3G/HSPA 2100MHz service areas. Outside these areas, the iPhone will access the Optus GSM/GPRS network. The Apple iPhone will not provide you with access to 3G services in Optus 'yes'G service areas where a dual band (UMTS2100/UMTS900) 3G/HSPA handset is required. 3. For coverage details on 3G/HSPA and 'yes'G please see www.optus.com.au/coverage. 4. Actual network speeds both upload and download may vary depending on the type of device in use, location and the number of users accessing the network at the time. Speeds refer to maximum download speeds. Upload speeds will be lower than download speeds
